ZIMMER BIOMET

# WELCOME TO SHOULDER360™

Dear Shoulder360™ Attendees,

Thank you for joining us for the 5th Annual Shoulder360™ Meeting in South Beach, Miami. Since its inception, our vision has been to create a meeting that disrupts the norm of in-person meetings. Attendees want a meeting where they receive real value for their time and money - including the content, access, and entertainment. They want to meet and engage with the faculty - to get to know their colleagues from around the world in a meaningful way. Our Industry partners want to be able to showcase their latest and greatest products to discerning users, who are going to want to engage with them in-person, ask challenging questions, and demand the best for their patients. Our educational approach for Shoulder360™ will be to always have an emphasis on education in a fun and welcoming environment.

South Beach Miami has so much to offer our attendees. From beautiful beaches to great restaurants and shopping, Miami has an eclectic array of opportunities for family or solo fun, not to mention, easy airport access for those flying in from across the country and the world. There's also no denying the great weather in Miami this time of year.

During the meeting, you will see that the pace is fast, with plenty of time for discussion. We will be incorporating our feared trademarks- judges and a gong, and asking for constant audience participation. There will be some great talks and maybe some not so great ones. However, we will always stay true to the Shoulder360™ brand and be honest and provide immediate feedback to our faculty and attendees. As course directors, we have sweated every detail of this meeting. We want everyone to receive the greatest value for their time whether that be as a faculty member, attendee, or industry partner. We realize you could spend your time many ways, but we are grateful that you chose to spend it with us. We hope attending Shoulder360™ in South Beach, Miami will continue to be a regular occurrence for you in years to come. We are honored to have you here with us, and we hope to meet each of you during the course. Please know that we are at your service should you need anything. Lastly, all faculty should fear the GONG!

Sincerely,

Joseph Abboud, MD, Raffy Mirzayan, MD & Paul Sethi, MD  
Shoulder360™ Co-Directors

# ABOUT SHOULDER360™

Shoulder360™ aims to provide a comprehensive shoulder course focusing on shoulder repair and reconstructive surgery. Shoulder360™ will redefine the way we think about surgical education of the shoulder. The course will encourage new methods to engage attendees, encourage participation, and utilize new educational technologies for a more interactive experience.

## **PURPOSE**

Shoulder360™ aims to educate the spectrum of healthcare providers caring for patients with shoulder disorders. The target audience will be practicing surgeons and surgeons in training, nurses, physician assistants, and physical therapists with a practice focused on shoulder disease. Shoulder360™ wants participants to learn about the newest and best ways to treat their patients while enjoying a setting designed to foster lifelong friendships and collaboration.

## **LEARNING OBJECTIVES**

- Evaluation of techniques and technologies being utilized in shoulder arthroplasty
- Learn about the continuum of care as it relates to the management of rotator cuff disease and glenohumeral instability.
- Advance the field of shoulder surgery through the introduction of new research by thought leaders.
- Educating the participants on the latest treatment techniques in shoulder arthroplasty, sports and trauma surgery

## **WIFI - THANK YOU TO OUR WIFI SPONSOR SHOULDER INNOVATIONS!**

## **Stay Connected & Share**

Share your Shoulder360 experience on social media—post your favorite moments, insights, and highlights! Tag **@shoulder360course** and use **#Shoulder360** so we can follow along.

Don't forget to upload your photos to the shared Google Drive using the QR code to help capture every moment!

# MEETING APP

**ORTHO** BULLETS

Shoulder360 is proud to partner with Orthobullets for the 2026 conference. We will be using the Bullets\* app during the conference to share the latest program information, live audience polling, and much more. Download the Bullets\* app and either log in with your existing account or create a new account through the "Join Now" button. Please use the same email for your Orthobullets account as the one used in your meeting registration. If you have an existing Orthobullets account under a different email, please reach out to [info@orthobullets.com](mailto:info@orthobullets.com) so that we make sure to get your account in the conference group.

## **CLAIMING CME CREDITS**

### **GO TO SHOULDER360 COURSE CME in the Bullets App**

1. Click the Profile Icon in the top right.
2. Click "My CME"
3. Click "CME Dashboard"
4. Click Shoulder 360 Course CME (maximum of 15 AMA Credits)

### **COMPLETE CME SURVEY**

1. Ignore the SAE Exam.
2. Click the Green Bar that says "Survey"
3. Answer each question then swipe right or click Next
4. Answer 9 Questions and click "Submit"

### **GET YOUR CME CERTIFICATE**

1. Click "Certificate"
2. Click Forward Icon and Send Certificate to your email.
3. Download your certificate to your desktop and upload to ABOS website.

## **GET YOUR SAE CERTIFICATE**

### **GO TO 2026 SHOULDER360 GROUP on the Bullets App**

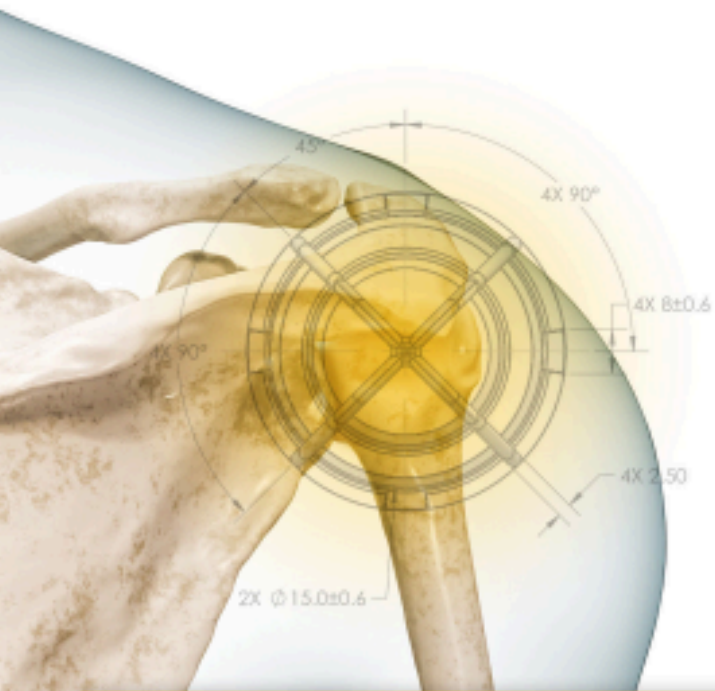

Navigate to the 2026 Shoulder360 Event on the Bullets\* App and select "SAE Exams".

### **COMPLETE EXAMS**

The exam is 100 Questions. There is no time limit. You must get 20% correct. If you do not get 20% correct then reset your exam and try again.

### **GET CME CERTIFICATE**

Once you completed the exam, take the 30-second CME Survey, and get your PDF CME certificate.

# HANDLE BUSINESS. COLLECT YOUR TAKE.

**The Syndicate Ledger:** Please visit the Exhibit Hall (Americana Ballroom 3-4) and show your appreciation. Their contributions are essential to making this meeting possible.

- Pay respect to the commission by visiting all the sponsors (The Boss, The Consiglieri, Capo, Lieutenant, and Soldier families). Handle additional business by visiting any ten (10) connected businesses.
- Each family and business will mark your ledger with a sticker once you've visited and "done business."
- Completed ledgers may be submitted at the registration desk in exchange for three drink tickets. All ledgers must be turned in by Saturday, April 25 at 12:30 pm.
- Winners will be drawn at induction on Saturday, April 25 at 12:30 pm in the General Session Room.
- You must be present to win. If you are unable to be at the induction, you may designate your underboss to claim your prize. Their name must appear on the front of the card and that person must be present to win.
- **The Take: \$1,000 Gift Card; \$750 Gift Card; \$500 Gift Card; \$200 Gift Card**

## **NEW THIS YEAR: Climb the ranks and earn your rewards:**

- Pay respect to The Boss, The Consiglieri & Capos – earn 1 drink ticket
- Check in with The Lieutenants & Soldiers – earn 1 drink ticket
- Visit 10 Connected Businesses – earn your final drink ticket

*Drink tickets must be claimed at the registration desk and are redeemable at the lobby bar or coffee shop.*

**Industry Sponsored Sessions:** Industry-sponsored sessions are available all weekend. Attend any session for a chance to win a **\$250 gift card**—raffles will be held at the end of each session.

## **INDUSTRY ENGAGEMENT - VOTE FOR:**

- Most Engaging Booth Display
- Most Engaging Booth Staff
- Most Exciting New Product or Service
- **Use the QR Code to Vote** →

*All giveaways and prizes are provided directly by Shoulder360.*

“Hands-On Workshop - Mastering Modern Sports  
Medicine Techniques”

*Poinciana Ballroom 1-3*

# FRIDAY, APRIL 24

**9:15AM-10:30AM**

## **Educational Session**

*Americana Ballroom 1-2*

### **Arthroplasty II**

Moderator: Derek Cuff, MD

Judges: Eric Ricchetti, MD; Bassem Elhassan, MD; Thomas Duquin, MD; Andrew Green, MD

How to Avoid Nerve Injury During Arthroplasty! We all see it, stop squirming in your seat!

Joseph Abboud, MD

I got Caught in a Rip Current - Humeral sided Complications in a Revision

Gerald Williams, MD

How to Manage Intra-op Complications in Revision Surgery - The Glenoid

Thomas Duquin, MD

### **Debates**

Moderator: George Athwal, MD

Judges: Caroline Chebli, MD; Jed Kuhn, MD; Anthony Miniaci, MD; Brad Parsons, MD

### **Debate: 48-year-old Plumber with OA! Failed Non-op**

Hemi All Day

Joaquin Sanchez Sotelo, MD

TSA My Way!!!! Inlay!

Robert Gillespie, MD

### **Custom or Off the Rack - Glenoid-Based Decisions**

Custom Wins Every Time

Sumant "Butch" Krishnan, MD

Off the Rack - Save Your Money

Mark Frankle, MD

### **Fit 67 y/o - But Oh So Young with 18 Deg Retroversion and 7 Deg Inclination!**

Reverse

Quin Throckmorton, MD

Anatomic

Michael Wiater, MD

**10:30AM-11:15AM**

## **Exhibit Visitation**

*Americana Ballroom 3-4*

**10:35AM-11:05AM**

## **Industry Session Sponsored by Arthrex**

"Arthrex 360: Complete Solutions for the Rotator Cuff Continuum"

*Americana Ballroom 1-2*

**10:35AM-11:05AM**

## **Industry Session Sponsored by Zimmer Biomet**

"Continued Evolution Through Anatomic Fit and Dynamic Optionality: Identity Shoulder System"

*Poinciana Ballroom 1-3*

# FRIDAY, APRIL 24

**11:15AM-12:30PM**

## **Concurrent Breakout Session #1**

*Poinciana Ballroom 1-3*

### **Scapula + Tendon Transfers**

Moderator: Bassem Elhassan, MD

Judges: Andrew Green, MD; Joaquin Sanchez-Sotelo, MD; George Athwal, MD; Sumant "Butch" Krishnan, MD

Arthroscopic Pectoralis Minor Release - What I Accomplish  
Doing This Operation?

Eric Wagner, MD

Triple Transfer for Spinal Accessory/Trapezius Palsy- Relive

Bassem Elhassan, MD

Lower Trapezius Transfer?? Latissimus does a better job of  
putting the arm in space

Christian Gerber, MD

Trans-Scapular Lower Trapezius Transfer for Subscapularis  
Deficiency

Thibault Lafosse, MD

Case Based Discssion

Moderator: Bassem Elhassan, MD

Panelists:

- Thibault Lafosse, MD
- Eric Wagner, MD
- Stephen Parada, MD
- Joaquin Sanchez-Sotelo, MD
- Anand Murthi, MD
- Chris Chuinard, MD
- Mathias Zumstein, MD

**11:15AM-12:30PM**

## **Concurrent Breakout Session #2**

*Americana Ballroom 1-2*

### **Rotator Cuff II**

Moderator: Jed Kuhn, MD

Judges: Anshu Singh, MD; Albert Lin, MD; Ziad El Qirem, MD; Frederick Matsen, MD

Biceps: Leave it, Use it, Cut it, or Tenodeses It. What Really Matters?

Uma Srikumaran, MD

Partial Cuff Tears - Debride it vs Patch it - Who Gets What

Frank Alberta, MD

ROHI and Other Scoring Systems: Are They Legit?

Gus Mazzocca, MD

ROHI, SHMOHI .... This is When I Augment my Primary Cuff Repairs

Brian Badman, MD

Case Discussion - Complex Reparable Cuff Tears and Augmentation

Moderator: Michael  
O'Brien, MD

Panelists:

- Brad Parsons, MD
- Derek Cuff, MD
- Brian Cole, MD
- Oke Anakwenze, MD
- Patrick Connor, MD
- Frederick Matsen, MD

# FRIDAY, APRIL 24

**12:30PM-2PM**

**Exhibit Visitation & Lunch**

*Americana Ballroom 3-4*

**12:45PM-1:15PM**

**Industry Session Sponsored by Shoulder Innovations**

“I Came for the InSet and Stayed for the Reverse - A Case Based Discussion”

*Americana Ballroom 1-2*

**12:45PM-1:15PM**

**Industry Session Sponsored by DePuy Synthes**

“INHANCE Shoulder System™ an outpatient friendly design featuring a tissue sparing approach”

*Poinciana Ballroom 1-3*

**1:15PM-1:45PM**

### **Shoulder Arthroplasty III**

Moderator: Gerald Williams, MD

Judges: Brad Parsons, MD; Christian Gerber, MD; Eric Wagner, MD; Frederick Matsen, MD

My Practice Has Become More Revision Than Primary Arthroplasty. Five Keys to Success!

Eric Ricchetti, MD

So you say you have humeral bone loss? Now what? From Cementoplasty to the kitchen sink.

Mark Frankle, MD

Stems With Locking Diaphyseal Screws Have Become Increasingly Popular. Should I Adopt Them?

George Athwal, MD

Is The Alternative Center Line Still Relevant and How Do I Adopt It?

Jonathan Levy, MD

Does Navigation Force Us To Use Augmented Implants And Does It Make A Difference In Outcomes?

Joseph Iannotti, MD

So You Say You Want Alternative Bearings? How Close Are We To Them For Anatomic Glenoid.

Vani Sabesan, MD

Case Presentations

Moderator: Bill Levine, MD

Panelists:

- Daniel Acevedo, MD
- Anthony Miniaci, MD
- Anshu Singh, MD
- Jonathan Levy, MD
- Caroline Chebli, MD
- Robert Gillespie, MD

**9:45AM-11:15AM**

## **Concurrent Breakout Session #2**

*Americana Ballroom 1-2*

### **Rotator Cuff III**

Moderator: Albert Lin, MD

Judges: Oke Anakwenze, MD; Julie Bishop, MD; Peter MacDonald, MD; Reza Jazayeri, MD

The 4 Letter Word We Don't Like to Talk About- COST

Kamran Hamid, MD

When My Gut Overrides the Data! What About The Patient Exam and MRI Makes Me Think This Patient Will Still Do Well

George Athwal, MD

What Are you Actually Accomplishing In Revision Cuff Repair (Healing Rates, What Makes It Work)

Mathias Zumstein, MD

Anterior Cable Recon/Biceps Re-Routing - It's Not Going Anywhere

Paul Sethi, MD

Reverse Is An Operation Best Performed First

Andrew Jawa, MD

Sleep, Wearables, and Nutrition to Optimize Healing

Matt Pifer, MD

Discussion

Moderator: Hafiz Kassam, MD

Panelists:

- Katie Vadasdi, MD
- Ron Navarro, MD
- Stephen Parada, MD
- Robert Hartzler, MD
- Paul Cagle, MD
- Jamie Lynch, MD

# SATURDAY, APRIL 25

**11:15AM-12:30PM**

# INDUSTRY SYMPOSIUMS

*Attend industry sessions for a chance to win a \$250 gift card—raffles will be held at the end of each session.*

**THURSDAY  
9:05AM-9:45AM**

**AMERICANA  
BALLROOM 1-2**

**stryker**

## **Connecting The Shoulder Care Continuum**

Join Dr. Hartzler, Dr. Athwal, and Dr. Fedorka as they share case-based insights on integrating Stryker's Blueprint planning through the shoulder continuum. This session will highlight features within the software that are designed to help surgeons understand their patient's anatomy and support procedural decision-making. Learn how these innovations help determine when to pursue a sports procedure versus total shoulder arthroplasty for more personalized care.

**Faculty:** Robert Hartzler, MD; George Athwal, MD; Catherine Fedorka, MD

**THURSDAY  
9:05AM-9:45AM**

**POINCIANA  
BALLROOM 1-3**

**enovis**<sup>TM</sup>

## **ASTRA ARVIS: From Plan to Precision—Augmented Reality in Every Setting of Care**

**Faculty:** Brian Badman, MD; Kevin Cronin, MD; Andrew Green, MD

**THURSDAY  
11:45AM-12:15PM**

**AMERICANA  
BALLROOM 1-2**

 **ZIMMER BIOMET**  
Moving You Forward.<sup>TM</sup>

## **Zimmer Biomet's Complete Shoulder Solution: Technology, Soft Tissue and Arthroplasty**

Join Zimmer Biomet for a dynamic presentation showcasing the forefront of biologic innovation, advanced implant solutions, and next-generation technology designed to support healing and optimize patient care. During this interactive session, our distinguished panel of experts will share clinical perspectives, practical insights, and emerging approaches, with opportunities for questions and discussion throughout.

**Faculty:** Joseph Abboud, MD; Thomas Duquin, MD; Hafiz Kassam, MD; William Levine, MD; Anand Murthi, MD; John Sperling, MD

**THURSDAY  
12:15PM-12:45PM**
