## Vani J. Sabesan, MD

Dr. Vani J Sabesan is a board certified Orthopaedic Surgeon and Shoulder and Elbow specialist in Palm Beach, FL. She served as Chief of Quality and held the Lang Family Endowed Chair in Orthopaedic Research at Cleveland Clinic Florida. Before that she served as program director for the Orthopaedic Surgery Residency program at Beaumont/Wayne State University in Detroit, MI. Dr. Sabesan was a founding member of WMU Homer Stryker School of Medicine where she served as the chair of the musculoskeletal course at the medical school and co-chair of the next US Bone and Joint Initiative program to improve musculoskeletal education in medical schools.

Dr. Sabesan is passionate about research and leadership in her Orthopaedic community. She has published over 75 articles in the peer reviewed literature and has served on a number of regional, national, and international committees and boards, including the Florida Orthopaedic Society Board and program chair, American Shoulder and Elbow Society Research and Advocacy committees, AAOS Shoulder and Elbow Committee, International Society for Technology in Arthroplasty Board, Michigan Orthopedic Society Board, Mid America Orthopaedic Society, and American Orthopedic Association (AOA) Emerging Leader's program.

Dr. Sabesan's commitment to service extends beyond her role as female faculty member through her national work with Women's Leadership programs, RJOS, and medical mission work. Dr. Sabesan's contributions to the peer reviewed literature with over 75 publications demonstrates her continued commitment to excellence in clinical and biomechanical research. She lectures both nationally and internationally in her area of expertise. Dr. Sabesan has received numerous honors including the Lang Family Chair in Orthopaedic Research, Young Investigator Grant recipient, Scholar of the year at CCF Florida, RJOS travelling fellowship, Mid America Orthopaedic Association traveling fellowship, OREF Clinician Scientist grant, American Orthopaedic Association's Leadership Fellows Program, and awarded the Doris Duke Clinical Research Fellowship.

Dr Sabesan values customizing care for each of her patients and providing them with the best possible outcomes after surgery or nonoperative treatment. She is passionate about advance the field of musculoskeletal health and has herself run over 25 marathons and completed an Ironman.
