

ANDREW JAWA, MD

Dr. Andrew Jawa is an Orthopedic Surgeon at New England Baptist Hospital (NEBH). He is the open shoulder specialist at Boston Sports & Shoulder Center.

Dr. Jawa focuses on shoulder replacements and laterjet procedures. He performs between 200-250 shoulder replacements each year. He is a regional and national leader in his field, training other surgeons on the best management and surgical techniques for shoulder surgery. He is the head of the shoulder section of the New England Shoulder and Elbow Society, and a member of the prestigious American Shoulder and Elbow Society.

Dr. Jawa earned his medical degree from the University of Pennsylvania Medical School, followed by a Harvard combined orthopaedic surgery residency at Massachusetts General Hospital and Brigham and Women's Hospital. He also completed two fellowships at Massachusetts General Hospital; one in hand and upper extremity surgery, and the other in shoulder and elbow surgery. He performs all of his surgeries at the New England Baptist Hospital and the Boston Outpatient Surgical Suites.
